Disclaimers:
• Due to the 2-layered construction and internal stitching, a visible stitch may appear in the crotch seam of the bikini bottom. This is a normal part of the manufacturing process and does not impact the quality or performance of the product.
• To make your All-Over Print Recycled String Bikini last longer, thoroughly rinse it off after each use and get rid of any chlorine/salt residue.

This product is made especially for you as soon as you place an order, which is why it takes us a bit longer to deliver it to you. Making products on demand instead of in bulk helps reduce overproduction, so thank you for making thoughtful purchasing decisions!
